

Board of Health
Town of New Marlborough
July 9, 2013

The Board met at 7PM with Larry Davis, III, Chairman, Norman Hankey, Member, Jack Bellinger, Member and Scott McFarland, Agent present.

The first item on the agenda was a reading of the June minutes. Corrections were made to the last paragraph on Page 1 to read "There are two properties with three buildings" using a shared system. The minutes were accepted as corrected.

Title 5's: 176 Norfolk Rd. will need a new design. Current system was under water.

The food grinder was removed from the 88 Hotchkiss Road's system.

The Rossier property at 222-226 Lake Rd. has a FAST system, a new tank will be installed to cover the other system which is currently being shared.

243 Norfolk Road has a failed system and is getting an ungrade to the one bedroom dwelling's system.

The Southfield Store is being inspected by Mr. Tynan still on a monthly basis. The system's upper trenches are dry. The system tanks need to be pumped.

Camp WaWaSegowea has received it's permit. 40 to 50 campers have enrolled. The state ordered that the water be boiled.

Jan Johnson of the Mill River Farm on Brewer Hill was issued a temporary food permit for her kitchen. The owner is planning on a Certified Organic Farm. Has many plans for expanding into more offerings with possibly dinners for the public and courses on teaching butchering.

Mail: Received an Inventory of Public Water Systems for the Town of New Marlborough.

The meeting was adjourned at 8PM.

Respectfully submitted,

Pia G. Bellinger, Sec.
